October 8, 2018

We started the trip with Breakfast in San Francisco

Ollie had a Micky Mouse Pancake!

**We arrived at the Jelly Belly
Factory right around Noon**

**After Sampling some Jelly Beans
We Went in for the Tour**

Ronald Reagan Loved Jelly Beans

But he would ONLY
eat Jelly Belly Jelly
Beans!

We saw lots of Jelly Bean Art

More Jelly Bean Art

**Lots of Jelly Beans on the
Factory Floor**

Robots do some of the hard work

People Still do Much of the Work

Look at all the Jelly Beans

**Grampa and Daddy Played the
Jelly Bean Catching Game!**

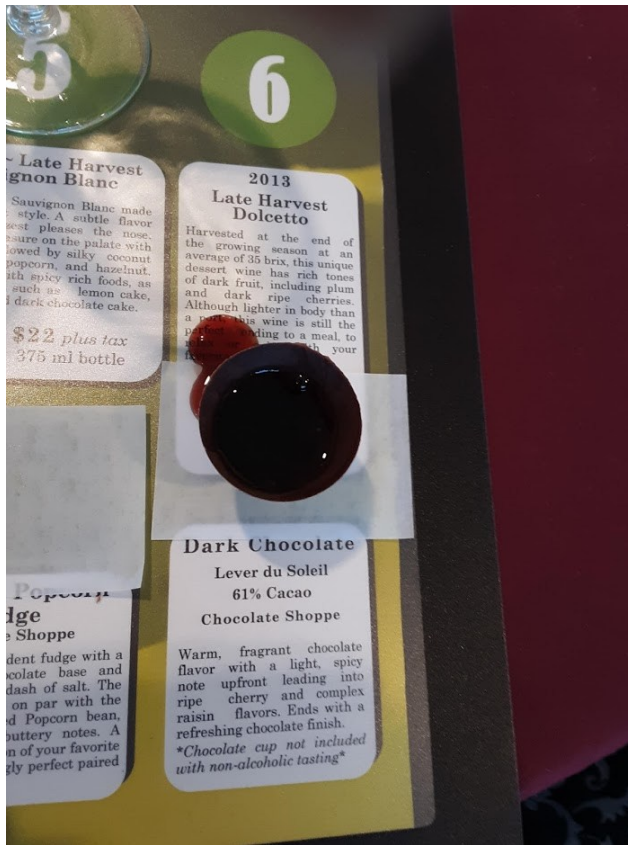

Then it was time for the wine pairing

Wine and Chocolate – How can that go wrong?

There were SIX pairings
The last was a chocolate cup of wine

The last was a Late Harvest Dolcetto

Ollie really liked the left over chocolate cup with a touch of sweet wine!

**Then it was time to say Bye-bye
to the Jelly Belly Factory**
