I have eaten the best steaks at places like:

- Ruth's Chris Steakhouse in Gaithersburg, MD
- El Patio Argentina Restaurant in Rockville, MD
- Mahogany Prime Steakhouse in Oklahoma City, OK
- Peter Luger Steakhouse in the Bronx, New York City, NY

However, this was the best steak of all of them!

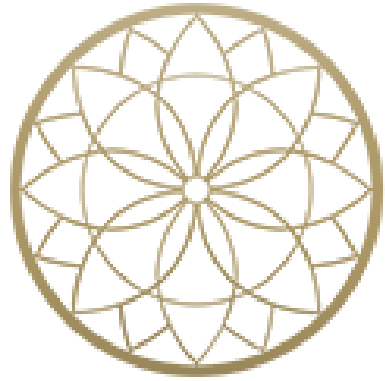

**We kept Maru, Ollie and Kellen
Busy so the Adults could finish
their Dinner**

**We watched the sun set
from BocaDos Restaurant**

The Spa Imagine Hydrotherapy Room has Some Very Interesting Options

This machine drops a strong stream of cold water on top of your head!

The Hydro-Therapy Pool has Six Stations

- Water foot massage
- Waterfall for neck and back
- Strong water jet for lower back
- Strong water jet for neck
- Water fan for head and neck
- And the Bubble Bed

I Love the Bubble Bed!

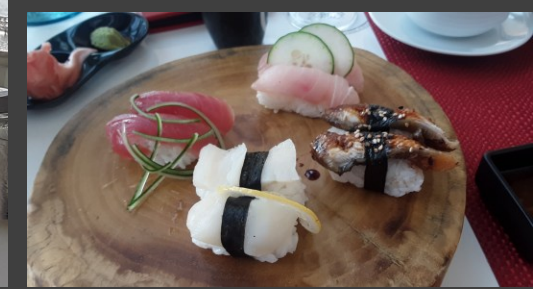

That Night We Split Up for Dinner

- Eunyoung and Michael went to Hiroshi Sushi Restaurant which is an **Adult-Only Restaurant**
- Everybody else had tacos on the beach!

Hiroshi was Excellent

- The sushi rice was perfect
- However, they wanted to put sauce on all the sashimi items – so we asked for traditional sashimi without the sauce!
- The wine was excellent
- The view was spectacular

Hiroshi Sushi

After Hiroshi Sushi we Went to the Rooftop

- The Rooftop Bar has a great view
- Unfortunately, it does not open until 8pm and we came at 7:30pm
- However, they let us look around

Hiroshi Sushi, the Rooftop Bar and
the Green Wall are all in the Same
Tower

**The Next Day Was More
Time at the Pool**

Our Final Night in Puerto Vallarta

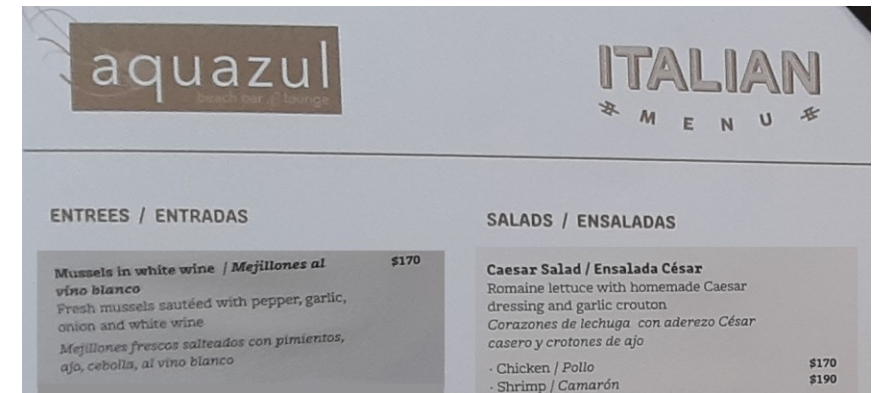

- We ate at the excellent Italian Restaurant on the Beach
- We ate inside the restaurant – which was not exactly inside
- Many people ate outside around the beach or actually on the beach

The Menu was Excellent

- I had Caesar Salad and Chicken Marsala with White Zinfandel Wine
- The grandkids had pizza and pasta
- The adults tried lots of new things
- Everything Included!

My Chicken Marsala

**Enjoying our last dinner in
Puerta Vallarta**

We had an uninvited guest

- It was a large iguana
- It wanted to eat our guacamole

Sunset at the Beach

Our last night

Our Last Breakfast was Great

- We went back to the excellent steak house for a breakfast buffet
- The food was great even though there was no steak tartar!

**What a great
breakfast buffet**

**At 11am local time we left Garza Blanca
for the Airport at Puerto Vallarta**

**This was the best Father's day present my son and
daughter have ever presented to me!**
