# Entrance to Cacapon State Park

---

# Picnic Tables at the Dam

---

**Spillway at the Dam**

---

**Lake Behind the Dam**

---

# A Great Fishing Place

But you need a fishing license!

**An “Imported” Sand Beach**

**This is the Stream that  
Feeds the Lake**

---

## ORISKANY SAND

---

 The pure massive sandstone forming Warm Springs Ridge is the Oriskany of the driller and geologist. The "Oriskany Sand", an important gas Sand, has produced in excess of a trillion cubic feet of gas in West Virginia.

SPONSORED BY THE W. VA. CENTENNIAL COMMITTEE OF THE OIL AND NATURAL GAS INDUSTRY  
WEST VIRGINIA HISTORIC COMMISSION, 1963

**West Virginia is  
Gas Country**

**And, of course, Coal  
Country!**

# There are many attractions at Cacapon State Park

- **The old inn**
- The Beach
- **The Nature Center**
- The Picnic Areas
- **The Boat Docks**
- The Playground
- **The Sporting Clay Range**
- The Mountain overlook
- **The Restaurant**
- The Golf Course and Pro Shop

# The Golf Course and Pro Shop

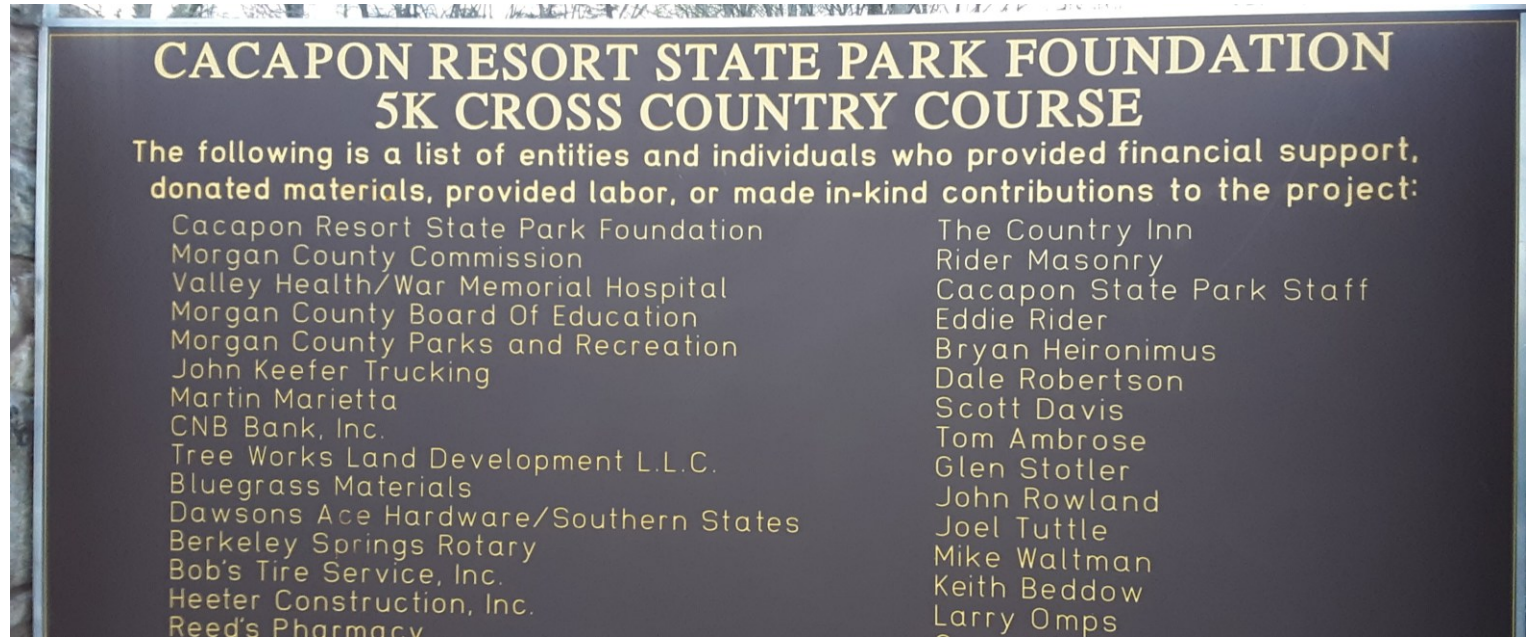

---

# However, My Favorites are:

- The hiking trails
- The Horse-Riding Opportunities
- The Cabins

**There is a 5k Cross-Country Course**

**And several mountain  
trails**

---

# And then there are the cabins

- The Cabins are rustic
- But each has a modern heat pump for heating and cooling
- Electricity for lights and cooking
